MONTGOMERY PARKS SUMMER CAMPS
2425 Reedie Drive | Wheaton, MD 20902

SUNSCREEN POLICY

Appropriate sunscreen use is important to prevent skin damage and skin cancer and we encourage parents/guardians to apply prior to attending camp. If your child is able to apply his or her own sunscreen, we strongly suggest they do. If your child is going to apply sunscreen at camp, please complete the following information. Sunscreen must be labeled with camper's name, be in its original container, and kept with camper and his/her belongings. Please provide SPRAY sunscreen if you would like camp staff to assist with sunscreen application. Camp staff will not be responsible for furnishing or holding sunscreen. **Note:** Please print camper's first and last name on the bottle.

Sunscreen Brand: _____

I, _____, acknowledge that my child_____
(Print Parent/Guardian Name) (Camper's Name)

☐ Does NOT need assistance with sunscreen application.
☐ Needs assistance with sunscreen application.
